Schwalbe Lugano: new fixie option with vintage flair

For road or urban bikes: with its long-lasting silica compound and reinforced tread, the new Schwalbe Lugano Endurance is the perfect choice for all urban adventurers. "It has a tougher tread that lends itself very well to fixie bikes," stresses Peter Krischio, Product Manager Race at Schwalbe. The Lugano Endurance is available at bicycle retailers beginning fall 2016 for 19.90 euro (clincher).

For all classic bikes and retro road bikes, the Lugano with its beige sidewall and new retro label offers a stylish complement (price: 17.90 euro).
